A wide-angle photograph of a snowy mountainous terrain. In the foreground, there's a mix of snow-covered ground and clusters of evergreen trees. A winding road or path cuts through the center of the scene. In the background, more snow-covered hills and a line of trees are visible under a clear blue sky.

3

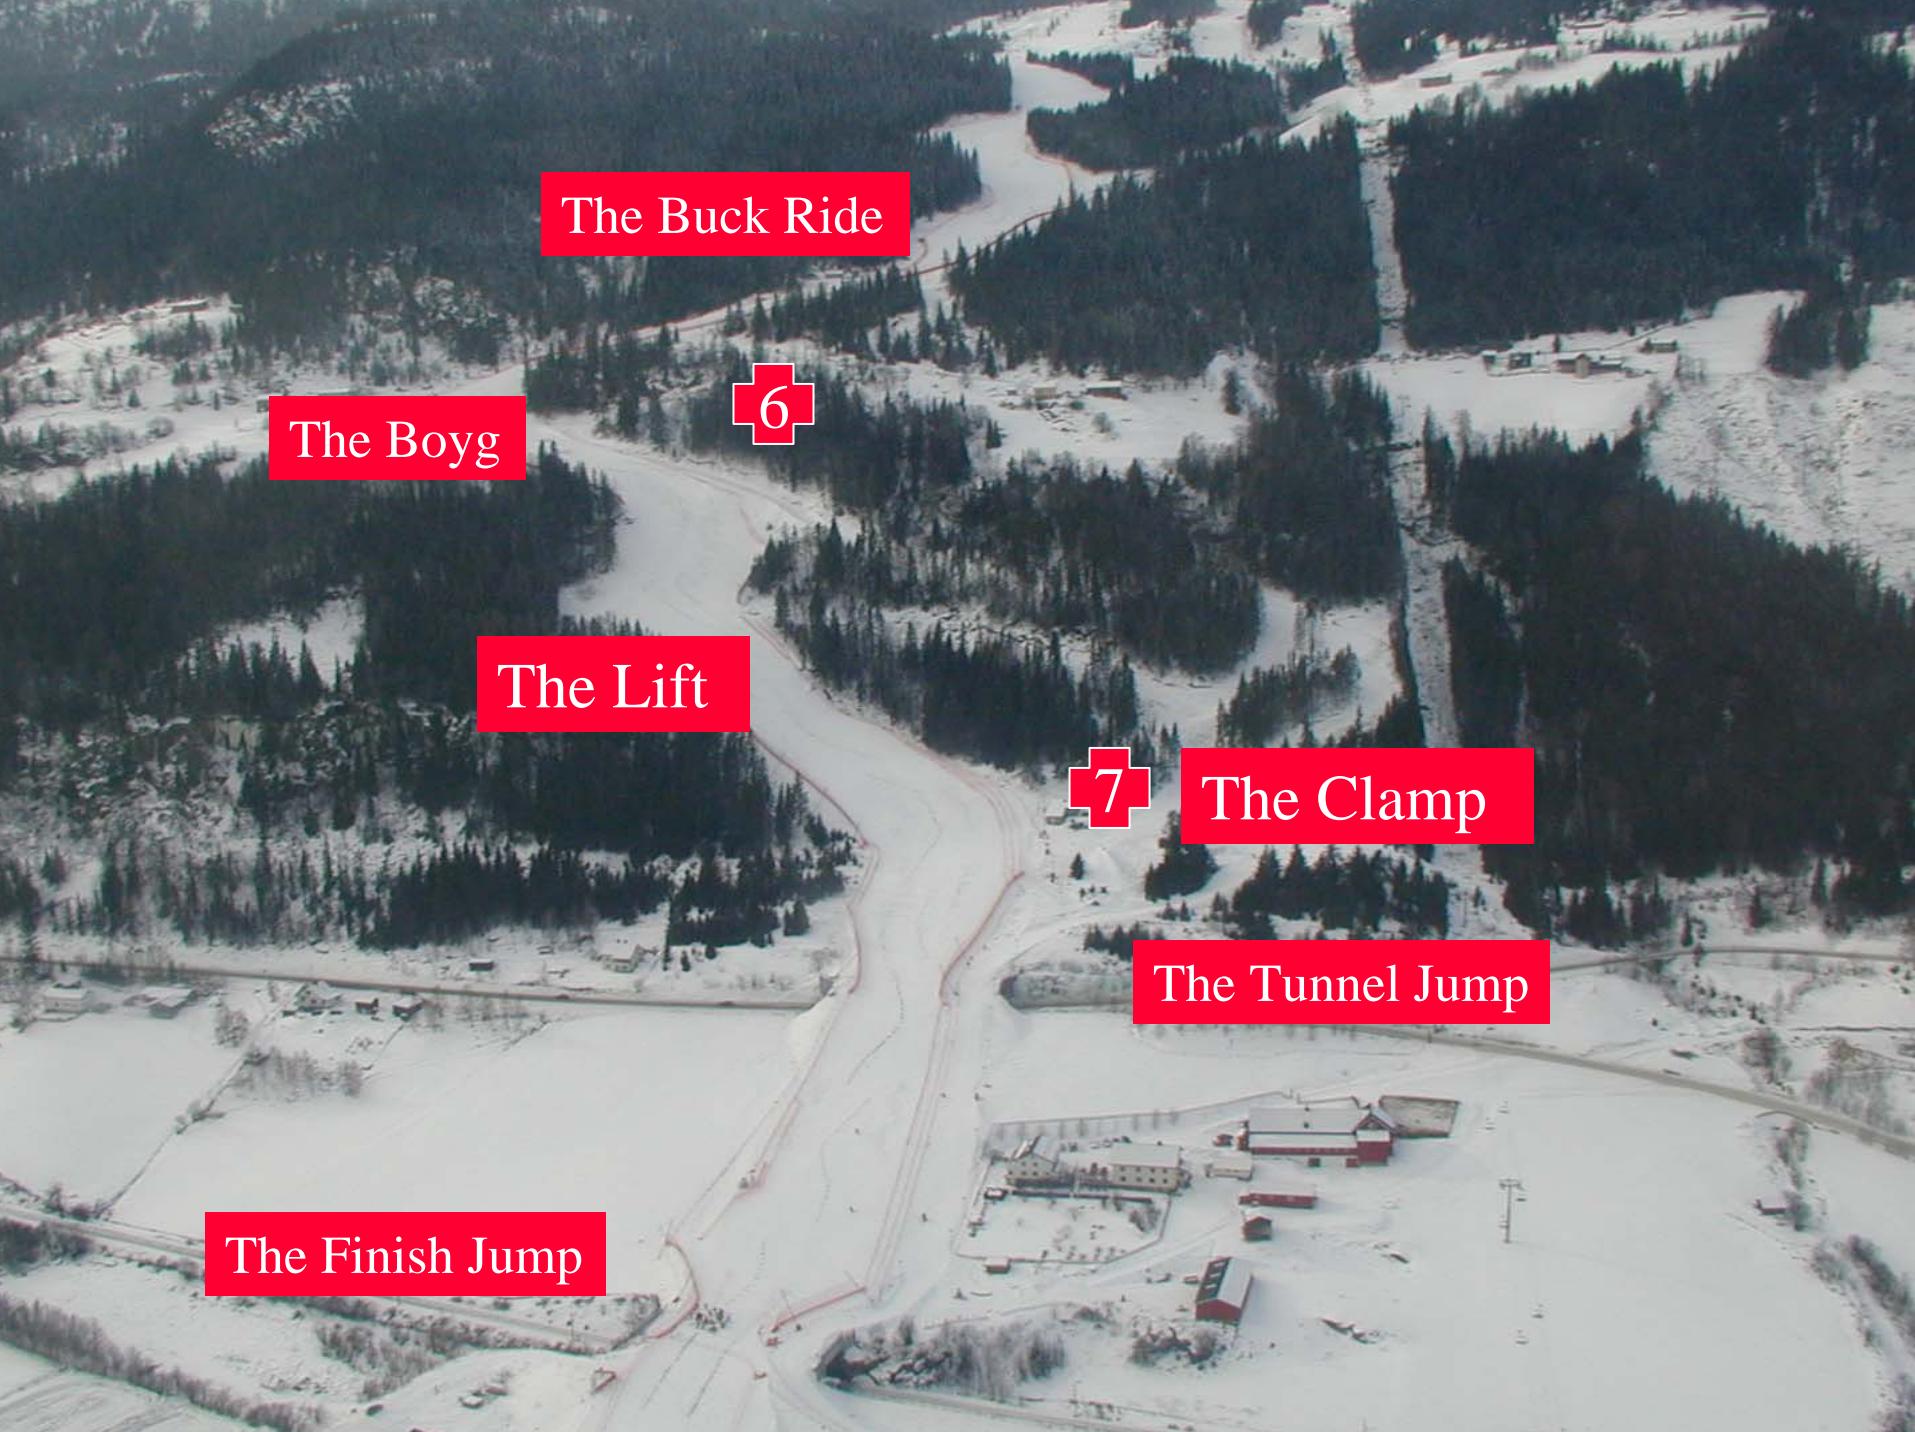

An aerial photograph of a snowy landscape. In the foreground, a dark green forest borders a light-colored snow-covered slope. A winding orange line marks a ski run or path through the snow. In the middle ground, a large, flat, snow-covered area with several small buildings and parking lots is visible. The background features dark, snow-dusted mountain peaks.
